

New Built-In Model BI-48S Side-by-Side

Side-by-side Model BI-48S provides the highest refrigerator and freezer capacity in a single Built-In unit. Sub-Zero dual refrigeration along with new air purification and water filtration systems guard the freshness of your food and water like nothing before. Framed, overlay/flush inset and stainless steel models are available. A new flush inset installation option allows the unit to sit flush with surrounding cabinetry.

Stainless steel Model BI-48S shown with tubular handles.
